

Meet MADHURESH KUMAR, MD

I value my role in providing personalized support for my patients, colleagues and communities in the rural in-patient setting.

Dr. Kumar is a Rural Physician's Group Hospitalist for Pershing Health System.

Dr. Kumar has been with Rural Physician's Group (RPG) for over 6 years, acting as the Regional Medical Director for the Midwest and Southeast regions of the United States. In September 2023, he was happy to get closer to home by taking on the position of Hospitalist for PHS in Brookfield.

- Attended Louisiana State University Health Center.
- Practiced hospital medicine and administration in southern Florida for 20 years.
- Dr. Kumar and his family live in Overland Park, KS.
- When not busy with the family he enjoys cooking, travel, underwater photography, and gardening.
