

Meet GAURAV PATEL, MD

...being able to bring positivity and light to those in need is extremely gratifying and I am eternally grateful to have the opportunity to do so.

Dr. Patel is a Rural Physician's Group Hospitalist for Pershing Health System.

Dr. Patel has been a Family Medicine trained hospitalist for over one year, primarily working in critical access facilities providing a full spectrum of care.

- Born and raised in Queens, NY
- Attended Medical School at Windsor University School of Medicine in St. Kitts and Nevis
- Completed his Residency in Family Medicine at Saint Elizabeth Family Medicine Residency Program in Utica, NY
- Dr. Patel loves to travel and is currently nomadic, working at various hospitals across the states of Wyoming, New Mexico, Texas and Missouri.
- When not working or traveling, Dr. Patel enjoys playing basketball, listening to music, and practicing yoga and meditation.
