

Julie Ladd, FNP

Community Medical Associates (CMA) is pleased to welcome Julie Ladd, Family Nurse Practitioner (FNP), expanding access to compassionate, patient-centered care with both walk-in visits and scheduled appointments.

Julie brings strong clinical training and a lifelong passion for helping others, inspired by caring for her mother during a serious illness at a young age. She earned her nursing and graduate degrees from Graceland University and became a Nurse Practitioner to make a meaningful impact on patients' lives.

At CMA, Julie enjoys providing primary care for patients of all ages and building lasting relationships. She takes a holistic, personalized approach—focusing on the whole person and involving patients in their care decisions.

Originally from rural Missouri, Julie values small-town, family-focused care and is proud to serve the community. Outside of work, she enjoys gardening, canning, fishing, hunting, and spending time outdoors.
